

FLOODWOOD HIGH SCHOOL

EDUCATION CAREER PATHWAY

The Education Career Pathway prepares students for a career in teaching or any career dealing with children such as social work, daycare, nursing, physical therapy, medicine and more. Education careers are for students who enjoy working with kids and serving others, are enthusiastic and passionate about learning, and are creative!

Required Pathway Courses	Recommended Pathway Courses	
CIS Introduction to Teaching <small>Telepresence</small>	College Writing Research and Composition
