BUSINESS CAREER PATHWAY

The Business Career Pathway explores careers in law, marketing, entrepreneurialism, accounting, management, and more. Business career possibilities are endless; this pathway is for students who are creative, entrepreneurial-minded, like working with people and in teams, have lots of ideas and passion, and are interested in design and development of products. Put your business interest in action through hands-on experiences in BPA!

To complete the Business Career Pathway, choose any 2 classes from the core business pathway class list below, AND 1-2 classes from your series of choice
